Founders Program Is Centerpiece To New South Korea Golf Community

May, 2010 - Newport Beach, CA — When Hansol Development Company announced its final neighborhood within Oak Valley - the Reserve at Oak Valley - would feature the Pacific Rim's first Tom Fazio designed golf course there was a great deal of anticipation from South Korea's golf enthusiasts.

To capitalize on that, InterCom created a Founders Program and told the Oak Valley story with the latest technology, a customized Apple iPad preloaded with a property slide show, digital Founders book and a virtual flyover of the new Fazio course.
